OBJECTIVE

IT engineering student with internship and project experience. Skilled in practical workflows, quick to adapt, and committed to teamwork, responsibility, and continuous improvement. Motivated to grow professionally while contributing to organizational success.

PROJECTS

Email Remainder System Using NODE JS & REST API

- Created a simple backend using Node.js to send reminder emails automatically. This system helps users remember important tasks by sending scheduled notifications

GitHub Link: <https://m-kanmani.github.io/NM-projects/>

Java Quiz For FULL STACK Project

- Project Developed an interactive quiz system using Java for backend logic and a basic web UI for users to answer questions. The project helps users practice programming concepts and view their scores instantly

GitHub Link: <https://m-kanmani.github.io/NM-projects/>

Hackathon Projects

- Data & Intelligence (Rounds -1,2)
- Product & Innovation Challenge (Rounds -1,2)
- Business and Growth (Rounds-1,2)

EDUCATION

Kalaimahal Matriculation Higher Secondary School 2022-2023
(HSC) 12th

CGPA: (76%) 456/600

A.V.C COLLEGE OF ENGINEERING, ANNA UNIVERSITY, 2023-2027
CHENNAI

B.Tech INFORMATION TECHNOLOGY

CGPA: 7.60%
