

CRAFTYTECH AI

Chennai, Coimbatore, India

INTERNSHIP OFFER LETTER

To:

M. Kanmani,

Date: June 20, 2026

Congratulations, **M. Kanmani** from **A.V.C. College of Engineering** has successfully joined the **Full-stack Development** Internship Program at CraftyTech AI. The internship will commence on **20th June to 20th July**. Further details and updates will be shared soon.

Duration: 1 month.

Location: Coimbatore (On-Site)

Intern Reporting Manager: You will be assigned a mentor/manager who will guide and support you throughout the internship period.

During your internship, you will gain practical exposure to real-world projects, industry workflows, and professional development opportunities. We expect you to maintain professionalism, discipline, and confidentiality throughout the internship period. This internship is intended solely for educational and training purposes as part of your learning experience.

You will also be entitled to participate in our internship benefits and policies, which will be explained to you on your joining day.

We look forward to having you as part of our team and wish you a successful learning journey with us.

Best Regards
Managing Director,
CraftyTech AI Digital Solutions
